I called Peter and Rebecca; got a call back from Michael Elsberry, General Counsel to Lowndes Drosdick. They're done. He said the sales of securities was the "straw that broke the camel's back"; he said that the lawyers in the firm had lost confidence that they were getting the whole or accurate story.

The only way to pursue the exchange offer will be with another firm, maybe Pepper Hamilton. Geo.

Subject: Mozido Invesco, LLC - Withdrawal

Dear Michael,
We learned last week that Mozido Invesco, LLC sold an additional \$2,805,482 in principal amounts of notes in 2012. When Rebecca Forest and I met with Britt and you last December at our offices we explained that if Mozido Invesco, LLC continued to sell notes after the rescission offer it would be in violation of the securities laws. We understood that you would stop selling any more notes. We were never informed that more sales were occurring until last week. Consequently, due to your failure to communicate and cooperate with us in these respects our firm is withdrawing from our representation of Mozido Invesco, LLC with respect to all corporate and securities law related matters.
